Goals for Student Achievement

District Goals

CCS Mission – We inspire all students to build the skills and confidence to find their passions and achieve their goals.

Working as a community, we are committed to maximizing and improving our effectiveness in 7 areas of focus: (1) Student Achievement, (2) Student Readiness, (3) Engaged & Well-Rounded Students, (4) Community Engagement & Partnerships, (5) Professional Learning and Quality Staff, (6) Fiscal and Operational Systems, (7) Safety & Well-Being.

School Goals

Teachers and staff will focus on Literacy and plan engaging lessons that address the individual learning needs of all students.

We will work to make our big school feel small, by fostering positive, meaningful and lasting relationships with students, colleagues, and parents.

We will continue to serve as a model school for the overall well-being of our students, by serving as a Capturing Kids' Hearts National Showcase school.

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together through collaboration and feedback. It explains how parents and teachers will work together to make sure all our students reach academic excellence. Meetings are held each year to review the compact and make changes based on the student data results.

How does CPS Communicates Student Learning?
