

Cartersville High School

College Prep Events for Class of 2024

Upcoming Events

February

24

HBCU Panel

This session will take place during 2nd block. Students will hear representatives from HBCUs regarding the admissions process and the HBCU experience. Students who are interested in attending this session will need to use the QR code to sign-up.

March

02

Case Study Night @6pm

Ever wonder how colleges process applications and make their decisions? Attending this event will allow you to get insight from the other side of the desk. College Reps will go through a mock application review and discuss why they would accept, defer, or deny a student.

16

CHS College and Career Fair

21

Holistic Review Panel

This session will take place during 2nd block. Students will hear from college representatives who use a holistic review process. Students who are interested in attending this session will need to use the QR code to sign-up.

28

Class of '24 Parent Night/Mini College Fair @ 6pm

April

12

ACT vs SAT

This session will take place during advisement. Students learn more about each test and which one would be best for fit for them to take.

19

Admission Essay Panel

This session will take place during advisement. Students will hear from college representatives regarding what they are looking for when they read student essays in their application review. They will give tips on how to structure the essay as well as do's and don'ts of application essays.

May

12

Common App Workshop

This session will take place during first and second blocks and requires students to sign up. Students who are applying to college through the Common App, must sign up for this workshop. Counselors will schedule students for this session throughout the morning.

CHS most applied to colleges on Common App: Berry, GA College, GA Tech, GA State, KSU, Mercer, UGA, North GA, University of Alabama, Auburn, UAB, University of Mississippi, and Tulane

If you are not sure if your college(s) are on the Common App, go to www.commonapp.com/explore and search for your college.
