

# WELCOME TO Environmental Science

## About Me

My Name is Mr. Roberts, and I will be your ES teacher this year! I am a Cartersville High School Alumni (Go Canes!) and went to Embry Riddle Aeronautical University to Study Physics and Math. Outside of school, I love to rock climb, play volleyball, write, read, and cook!

## Welcome to Cartersville High School Science!

### Units Covered:

- Flow of energy and cycling of matter
- Stability and changes in earth's ecosystem
- energy resources
- Human impact
- Human population growth
- Minerals

### Required Materials:

- Composition notebook
- Binder with notebook paper (this can be shared with other classes)
- Pencils
- Colored Pencils
- Highlighter

## Homework and Class Assignments

Homework is whatever assignments you were not able to complete in class, and no more than two homework assignments will be given throughout the unit. All assignments will be due the Friday after they were given to you unless otherwise specified. Extra time may be given if discussed with me prior to the due date of the assignment. If the assignment is late it will be -10 points each day. After, 5 days the most an assignment can receive is a 50. Labs will normally be worth two class grades and are extremely important to make up after school or during FAB. Test will also need to be made up before or after school with me.

All assignments, PowerPoints, information, and due dates are located in Schoology under my Padlet. All students have access and utilize this resource everyday. There is also an "extra resources" section for extra assistance. I am always here to help you succeed! Please reach out if you ever have any questions or concerns!

# Grading Policy

- **60%:** Summative assessments: Test and Projects
- **40%: Formative assessments:** quizzes, daily grades, Notebook checks (Bell Ringers and TOD)  
( The above grades make up 90% of your overall grade)
- **10%:** Final exam

## Additional Class Information

### Classroom Rules:

1. Raise your hand before you speak.
  2. Work hard to ALWAYS try your best!
  3. Plagiarism will NOT be tolerated. This means no copy and pasting or copied assignments.
  4. Be on time everyday.
  5. Enter & exit the classroom prepared.
  6. Cell phones and headphones will be put away..
- **NO** disrespect will be tolerated in this class to you, me, or other students
  - Students are allowed three minor infractions before an office referral is submitted.
  - Students will need a notebook or composition book for this course.
- 
- Parents: Please ensure you are receiving blackboard notifications, I will remind you of test, upcoming projects, and important information.

Please sign below to indicate that you have read and reviewed the class expectations and overview in this syllabus. Turn in by Monday for a 5 pts BONUS grade! :)
