2024-2025 CLASSROOM ADOPTION

Dear Parents/Business Leaders,

Did you know each year teachers spend hundreds of dollars of their own money on educational materials for their classrooms? The **Adopt-a-Classroom** program is a way to assist CPS teachers and enhance the education of our students. The CPS **Adopt-a-Classroom** program is a sponsorship, where 100% of your donation will go directly to a teacher to purchase books, games, and other educational supplies and will be used exclusively for the academic enrichment of their students and classrooms.

Would you like to adopt one or more classrooms at Cartersville Primary School? Many businesses and individuals find sponsoring a classroom a great way to give back to the community. Whether you sponsor one or two classrooms the community will know your generosity and your commitment to education. CPS appreciates **YOU**, our sponsors, and shows appreciation by advertising for you in multiple ways - including the marquee in front of our school.

YOU can make a difference.... ADOPT A CLASSROOM today. Thank you!
