Principal’s Report:

- **Legacy Night-** Tues. March 21st from 4-6. The cafeteria will have light refreshments, old memorabilia will be displayed and people can tour the halls. We are still working on having bricks available; they may be offered once we are in the new school.
CPS will be closed on the last day of post planning. After spring break CPS will start getting packed up and crates will be stored in the big gym.
- **Personnel positions-** We have filled almost all open positions. We still have one opening in 3rd grade. (We did lose one 3rd grade classroom due to our student number being low in second grade.)
We will have an ISS/copy parapro next year. Coach Freeman will be an assistant administrator.
- **Pre-K registration-** 170 registered so far. The lottery is coming up soon. Mrs. Peters is working on it.
- **Pre-K class allotment-** in the next two years the pre-k class size will not be able to be greater than 20 students in each room. We have applied to add one additional pre-k class next year.
- **Kindergarten registration-** 160 registered so far. It is open until August when school begins.
