Principal’s Report:

- Covid/school update- We are not having parents/visitors in the building for now. We are hoping to resume having parents back on February 7th.
- Winter benchmark student data- Mrs. Bishop shared our school’s winter benchmark data. 67% of students in our building are average or above average. We have identified our “bubble” students and teachers are providing small group interventions daily. Mrs. Graves will speak at our upcoming SGC meeting with more detail about our school’s data.
- CKH survey results- our school score was a 4.4. You need to be at least a 3.4 in order to be a nationally ranked school. Lisa Drake will be back on Feb. 22nd.

Old Business: none

New Business:

- Long term substitutes were discussed- They do have school emails created in order to communicate with parents. Our teacher support specialist, Lauren Robinson, also goes into those classrooms for support.

The next meeting will be Thursday, February 17th at 7:15.
