

our

my family

special

together

LANGUAGE ABOUT **self and family**

- Draw a picture of your family in the frame above. Can you **name** or **label** each family member?
- **Talk about** special traditions in your family.
- **Compare** how you and your child look alike and how you look different.
- **Tell** a family story. Can you **act it out**?

In what other ways can you use language to talk about you and your family?
