

Clever

Clever is a platform that contains district and classroom links and apps. Many of the school's programs can be accessed through Clever. Students at Cartersville Primary School often navigate to eSpark, RAZ Kids, and Schoology via their Clever account.

1. Navigate to Clever. If using a smart phone or tablet, you can download the free Clever app or access Clever through the Cartersville School System app. If using a computer, you can access Clever through the Student section on the district and school websites.

2. Students may sign in to Clever website or Clever app using the QR badge provided by the classroom teacher (PreK, Kindergarten, and 1st grade) or the student's Microsoft Office 365 account (lunchnumber@cartersvilleschools.org and birthday password MMDDYYYY).
