

The System Calendar Committee is seeking input on two options for our 2021-22 and 2022-23 school calendars. Below is a breakdown between the two options. Once you have studied the two, please go to https://www.surveymonkey.com/r/Calendar_Survey-Parents to complete the 2-question survey to express your preference.

The Committee will use data from the survey to help determine a recommendation to the School Board. The School Board will begin consideration of the Committee's recommendation in January.

Please complete the survey poll no later than the end of the day, Friday, December 4. Please only complete the survey once.

If you have any questions, contact your calendar representatives.
