

State of the System Stakeholder Meeting

Cartersville City Schools invites all interested stakeholders to our State of the System meeting on June 20th at 5:30 p.m. At this meeting stakeholders will review & provide input in the development of the system's 2019-2020 Comprehensive Local Improvement Plan (CLIP). This CLIP is submitted annually to the Georgia Department of Education to outline our plan for expenditures of federal programs including Title I-A, Title II-A, Title III, Title IV, Title VI-B, and Homeless Education. We are also seeking input on our school compacts, school and district family engagement policies, and how we spend our family engagement monies.

Please join us on

**Thursday, June 20th, 2019 @ 5:30 p.m. in the
Board Room, 15 Nelson Street.**
