All About TEACHER

The Basics!

Hi! My name is Mrs. Linda Kirkland! I will be your Reading EIP support teacher this year. This is my 12th year teaching at CES. During my first 9 years of teaching, I was a 4th grade and 5th grade homeroom teacher. This is my third year with the EIP program. I love providing extra academic support for CES students!

My Childhood!

I was born in Tulsa, Oklahoma, however I grew up in Hutchinson, Kansas. Then in 1975, my family moved to Atlanta, Georgia due to my father being transferred. I attended and graduated from North Clayton Sr. High School in Riverdale, Georgia. Then, in 1995 my family and I moved to Cartersville. My children attended the Cartersville City School system so we all BELIEVE in the CANES!
