The Basics!

Hi! My name is Natalie Carr! I will be your math EIP support teacher this year. This is my 1th year teaching—all at Cartersville Elementary. During my first seven years, I was a 4th grade and 5th grade homeroom teacher. The 2018-2019 school year is my fourth year with the EIP program. I love providing extra academic support for CES students!

My Childhood!

I grew up in Cartersville, GA and attended the Cartersville City School District—PURPLE & GOLD for life!

At CMS and CHS, I was a cheerleader for the Purple Hurricanes! While in high school, I was a student mentor at CES and a teacher cadet at CPS. I've always loved participating within our Cartersville community!

7th Grade
