

Hi!

Meet Mrs. Daniell!

Welcome to Challenge at Cartersville Elementary! I am excited to begin a new school year and look forward to being your child's teacher. The elementary years are full of change and transition, but also of tremendous learning and maturity.

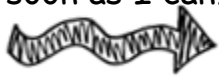

This is going to be a very exciting year! This is my fifth year teaching at CES and my 16th year teaching! I have taught 3rd grade, 4th grade, and I was an intervention specialist. I am so excited to be a **Cane** and work in this amazing school! This is going to be a wonderful year and I am thrilled to teach and work with your child!

I have been married to my wonderful husband, **Matt**, for 13 years. Matt is a lieutenant with the Cartersville Fire Department. We have a daughter {**Ella**} who is 9 and will be in 4th grade at CES, {**Adley**} is 3 years old, and {**Mollie**} is 6 months old! In my free time, I love to read, craft, and bake yummy treats!

I have lived in Cartersville over 18 years and consider this my home! I graduated from Reinhardt University with a Bachelor's in Education. I went on to receive my Masters and Specialist Degree with Nova Southeastern University. Education is so important and I hope to instill that **love of learning** in your child!

It is very **important** to have excellent communication between home and school. If you have any questions, comments, or concerns, please feel free to reach me via phone, e-mail, or a note. I will be happy to get back to you as soon as I can.
