Georgia Boys State is a comprehensive one week course in state and local government and is a program of the American Legion Department of Georgia. This year's session will begin on May 26, 2019 and conclude June 1, 2019 and will be held at Riverside Military Academy. Georgia Boys State is a "leadership action program" where qualified male high school rising seniors take part in a practical government course. It is designed to develop a working knowledge of the structure of government and to impress upon the citizen the fact that our government is just what we make it. Along the way delegates have the opportunity to learn the political process by organizing a mythical 51st state. Each level of government is run by those delegates who are elected to serve. Instruction is presented on the law and court system, parliamentary procedure and Georgia political history.

Interested Boys in the Junior Class should review the FAQ and Orientation Briefing at <http://dogboysstate.org/>
