

# Dual Enrollment Online Funding Application and Student Participation Agreement

- 1) Open a web page and go to [www.GAFutures.org](http://www.GAFutures.org) and either LOG IN to your existing account OR Create an Account
- 2) Verify on your profile that your Full Name, Date of Birth and Social Security Number are entered correctly
- 3) Once you have checked your personal information click on the “My Dual Enrollment Profile” link on the right hand side (see photo)

- 4) Once you go to the main Dual Enrollment page, click the link that says “The upcoming 2020-2021 school year”

7) Once you complete the application, you will receive the following message:

This screenshot shows a confirmation message on a website. At the top left is a blue button labeled "Return to My Dual Enrollment Profile". The main heading is "Thank you for your Dual Enrollment funding Application!". Below this, it states "Your Application ID is DE1962417." and "An email has been sent to your parent/guardian's email address, as provided in your application, with instructions for acknowledging your Dual Enrollment funding Application and participation." A bulleted list follows: "Your parent/guardian must complete the Parent Acknowledgement for your Dual Enrollment funding Application prior to you being able to enroll in Dual Enrollment courses.", "Once your parent/guardian submits the acknowledgement, your High School and the College you plan to attend must approve your application.", and "If you have not submitted an admissions application to the college(s) you want to participate in Dual Enrollment, visit the college website to apply." The final paragraph says: "After your parent/guardian, acknowledges your application, you can monitor the progress of your application by selecting the My Dual Enrollment Profile link after signing in to GAFutures. If your parent does not have an email address, have them visit GAFutures.org/DEparent to complete the agreement."

8) Your Parent/Guardian will receive an email at the address you provided that looks like this:

This screenshot shows an email notification. The salutation is "Dear Parent / Guardian,". The body text says: "Jennifer has submitted an application to participate in the Dual Enrollment funding program." It then states: "As the parent/guardian, you must electronically complete the Participation Agreement to confirm participation or to deny participation in Georgia's Dual Enrollment Program." A blue link is provided: "Access the Parent/Guardian Participation Agreement". Below this, it says: "You will be prompted to provide the student's Application ID (provided to the student upon completing the application) and Date of Birth or student's SSN and Date of Birth." It also includes: "If you have questions, please contact your student's high school." and "Please do not reply to this email. Thank you." At the bottom, there is a small icon and the text "This is a transactional email from GAFU." and three small icons.

9) Parents must click on the link and will be taken to a page that looks like this:

This screenshot shows the "DUAL ENROLLMENT PARTICIPATION AGREEMENT" page. It has a blue button labeled "Español" in the top right corner. The heading is "Dual Enrollment Parent/Guardian Participation Agreement". Below this, it says: "You are required to complete the Participation Agreement for your student's participation in Dual Enrollment. For security purposes, enter your student's information below, using one of the search options." There are two search options. The first option has fields for "Application ID\*" (with the value "DE1234567") and "Date of Birth\*" (with a dropdown menu). The second option has fields for "SSN\*" (with the value "XXXXXX0000") and "Date of Birth\*" (with a dropdown menu). Both options have a "Submit" button.

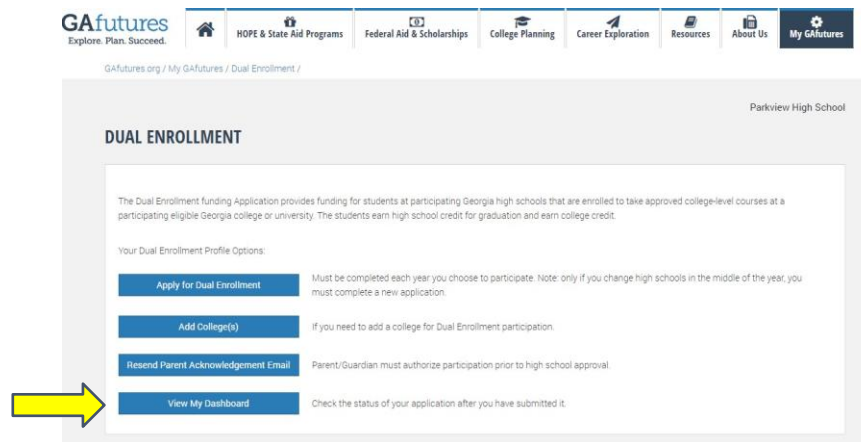

Parent can use either the Application ID (sent to the student via email once they apply) and Date of Birth OR they can use the student's Social Security Number and Date of Birth to Log in.

10) Once the parent is logged in, they will have to complete the online form and submit it. They will then see a message that looks like this:

11) Once both of these steps are completed, the student can view their Dual Enrollment Dashboard by going back to the Dual Enrollment Page and clicking the “The Upcoming 2020-2021 School Year” Link Again

12) Once there they can click the “View My Dashboard” link

13) Students will then see the status of their Dual Enrollment Application and can track when their Parent/Guardian signs and when your High School Counselor completes the form.
