Pledge of Allegiance: All

Approval of Minutes: January 2019 minutes were approved.

Old Business:

- JROTC Program
  - Instructors have been narrowed down to two. Really had a good pool of applicants. Refreshingly both are PBIS minded. JROTC will be housed in the old fieldhouse.

New Business:

- Graduation will be set up differently, facing the South end zone.
- Hurricane Alley-It has been proposed to name across from Scott’s to behind the stadium, Hurricane Alley.
- Allotments-will have two new teachers. Templeton and Matherne are retiring.
- We will have GNETS back in our building, they were previously at Cass High School.
- We are adding a new sidewalk in the front of the school. After the completion of the field house, some parking will open up.
- Centegix School Security- Will be adding swipe card entries for teachers, so we can keep more of the school locked down. Also discussed aspects of installing microphones/cameras in classrooms for
professional development, re-delivery of instruction, etc. Security would be a bonus and could be enhanced by beacons that would be potentially installed by Centegix.
