

## **HOW TO BECOME A REGION OFFICER**

Running for Region Office is far easier than running for State Office because it is completely based on your application. Region Officers also have far fewer responsibilities: ROA in July, SLC, one day of SLOTS, Fall Motivational Rally, FLC, and their RLC. Their main duties is running the awards ceremony at their RLC in January.

The application includes one essay, a 60 second video, a flyer, a resume, some signatures, and two letters of recommendation. This is due in late January. Applicants must have completed the Contributor and Business levels of their BAAs by the time of their application.
