**Old Business: Scheduling**

- Still working on a block schedule; Mrs. Tierce will present it Dr. Feuerbach on December 19<sup>th</sup>.
- Our student population keeps growing, which means we need to add classrooms and teachers.
- The possibility of a block schedule will give teachers more planning time and less students to teach per semester.
- Architects came in to evaluate the building last week.
- If we do go to a block schedule, we are still looking at offering FAB sessions once or twice a month.

**New Business: CCRPI**

- **83.8 Score, we led Bartow County in our score.**
- **Our graduation rate remains steady**
- **Student growth was up 7% (compared to peers across state)**
- **We still need to improve on closing gaps/SPED students.**
- **Climate score was a 4**
- **Need improvement on SAT & ACT prep (we plan on improving scores)**

➤ Next Inspiration- January 15
