Old Business: Scheduling

- Still working on a block schedule, Mrs. Tierce will present it to the School board after the Thanksgiving break.
- Our student population keeps growing, which means we need to add classrooms and teachers.
- The possibility of a block schedule will give teachers more planning time and less students to teach per semester.
- Mrs. Tierce sent out a video and survey to get the students opinion on a block schedule.
- A possibility of adding mobile classrooms until we can start construction.
- An engineer will come in December and look at the possibilities of adding on to our cafeteria.
- If we do go to a block schedule we are still looking at offering FAB sessions once or twice a month.

New Business: Tabled CCRPI until December meeting
