**Old Business: October 21** Drug/Vaping community meeting

**New Business:**

- New cap and gown color combinations coming for the Class of 2020. All students will wear a graduation hood with the school crest printed on it.
- Block schedule was discussed thoroughly; our schedule now is very tough on teachers and students. Each student would earn an additional credit. We would need to hire extra teachers. Teachers are very excited about the possibility of block schedule. EOC testing would be cut in half.
- Facility Growth: We are at maximum capacity. We are looking at all possibilities and ways to add additional classrooms and space to our campus.
- The council members agreed to livestream the Senior Walk at prom this year.
- Would love to add a construction pathway, and we are currently surveying the students to see if there is enough interested to add this pathway.
