

Cartersville High School

2024-2025 Student Parking Regulations

On-campus driving and parking is a **privilege** that will be granted only to those students who:

1. Have a valid Georgia Driver's license.
2. Provide proof of current insurance and registration for vehicle.
3. Are in good academic and disciplinary standing.
4. Have achieved no less than sophomore status.
5. Return this completed form to school with \$50 parking fee payment.
6. Have a signed Drug Prevention Policy form on file.

The student agrees by signing below that he/she fully understands that at no time when the student's vehicle is on campus will the vehicle contain a weapon of any kind as defined by the Student Code of Conduct, tobacco products, alcoholic beverages, any non-prescription drugs or illegal substances or any pornographic material. The student understands and agrees that he/she will be accountable for any item or substance in his/her vehicle, regardless of who placed the item or substance in the vehicle or whether the student was aware of the same. The student agrees to inspect the vehicle before bringing the vehicle on campus each time in order to determine whether anything forbidden by this permit is in the vehicle.

The student agrees that his/her vehicle is subject to random searches at any time by the principal or their designee when deems appropriate. The student agrees upon request to unlock his/her vehicle, glove compartment, trunk or any other locked storage compartment in the vehicle for inspection.

Parking privileges may be revoked at any time deemed necessary for any of the violations listed above. Students may also lose parking privileges for inappropriate vehicular behavior, unacceptable school conduct or lack of academic progress. This may include, but is not limited to, cutting class or leaving school without permission, willful refusal to carry out instructions, excessive tardies, and class disturbances.

*****A CHS parking decal must be positioned in the vehicle where instructed. Failure to comply with these regulations may result in disciplinary action. All vehicles parked on campus without a parking tag or in an unauthorized area will be ticketed. Students will be assessed \$10.00 per day until the violation is corrected.**

These regulations should be read and examined closely by all students and parents. Students who depend on their cars for transportation from school to their jobs should be mindful of the fact that there will be no exceptions made for the working student.

I have read the contents of the School Parking Regulations and I understand the policies and procedures. My signature on this form indicates that I accept responsibility for complying with policies and procedures established for operating and parking a vehicle on the Cartersville High School Campus.
