_____ June 3-6, 2024 online

_____ June 3-6, 2024 in-person

OR

_____ June 10-13, 2024 online

By submitting this application, I understand that my child is committed to participating in a half unit of Health during the summer term (June 3-6 or June 10-13). In order to receive credit, I understand that my child must fully complete the online course within the time frame selected to participate. Failure to do so will result in no credit being placed on my student's permanent transcript. I am also aware that if my child participates, he or she must also be able to document 30 hours of athletic activity in a Cartersville High School sponsored activity prior to the first day of school. Coaches will take attendance in summer workouts and will submit documentation to the CHS counseling office. Completion of 30 athletic hours as authorized by a certified Cartersville City Schools coach will result in 0.5 credit being awarded for the state course requirement of Personal Fitness on the student's permanent transcript.

School sponsored sports approved for credit are: Basketball, Cheer, Cross Country, Football, Marching Band, Softball, Volleyball, Wrestling and Embry Riddle Aeronautical Program.

Credit will be issued for Personal Fitness and Health once both the health class requirements and the Personal Fitness hour requirement have been completed and approved by the CHS Counseling Department.
