**Monday Virtual Tutoring** - Mondays as a tutoring/remediation day for all students. Teachers will offer virtual tutoring through TEAMS, so students can attend online tutoring from home; however, we will allow students to come to the school for in-person tutoring, if they feel this is more beneficial. If students decide to come in on Mondays for in-person tutoring, they must enter through the front doors of the school. They must sign-in as they arrive on campus and sign-out when they leave. Students can attend more than one session of in-person tutoring. CVA students can come to school on digital Mondays for tutoring. We will continue to follow our COVID19 safety guidelines at all times.
